Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy if, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each hox, how to use them as a Family Physic, and for the following complaints, which these PHIS rapidly cure:—

For Dysapersia or Endigeration, List-

stimulate the atomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Heasinche, Sick Heasinche, Junnilice or Green Sickness, Bilious Colic and Bilious Felvers, they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it.

For Dysentery or Diarrheea, but one mild dose is generally required.

For Breamatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion, and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidelly better, from their cleaning and renovating effect on the digestive apparatus.
